

# JANUARY 2021 LITTLE SUNSHINES PRESCHOOL NEWSLETTER

## CURRICULUM

Our Curriculum this month will revolve around many interesting topics to start the new years off for the children. We will learn about different New Year's Celebrations around the world. The animals that hibernate in this chilly season of winter, the colors of winter and everyone's favorite Teddy Bears!

## 2021 Has To Be Better

This has been one heck of a year and we hope the next year brings new changes for the better. It has been hard staying open during Covid in many aspects, but we are glad everyone has stuck by us though all the changes. We have made sure despite everything they are still learning, still eating well and we are still growing as a school for our students (we all worked hard on the yard this summer to make the children have a outdoor oasis and that was a big undertaking during Covid) This week gave us all a chance to revitalize ourselves for a new school year! Thank you for helping us through this year with love and we are hoping this year will be our best yet.

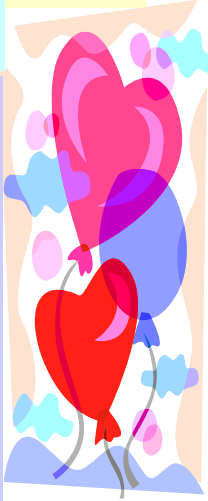

## Thank You

We would like to thank everyone who came to our Holiday events. The children worked hard as did the teachers and we hope everyone appreciated the events.
