

JANUARY 2023 LITTLE SUNSHINES PRESCHOOL NEWSLETTER

CURRICULUM

Our Curriculum this month will revolve around many interesting topics to start the new years off for the children. We will learn about different New Year's Celebrations around the world. The animals that hibernate in this chilly season of winter, the colors of winter and everyone's favorite Teddy Bears!

New Year!

We have had a lot of changes this year. New teachers, new children and a new curriculum changes and children changing to new classrooms, and we are all exciting that these are great changes for everyone! I am working on the summertime and our summer camp now and look forward it to being a lot of fun for the children. If you know you are not coming for the summer, but will be back after summer, please let me know now so I can plan. Also, if you are aging out or making any other changes for summer and fall, please let me know so I can make changes accordingly for the upcoming Fall!

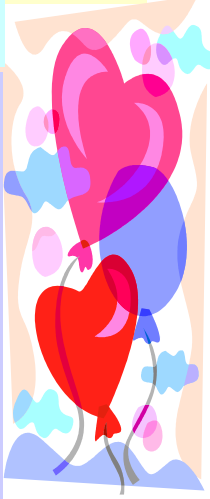

Thank You

We would like to thank everyone who came to our Holiday events. The children worked hard as did the teachers and we hope everyone appreciated the events.
